SUPPORTIVE HOUSING

“Supportive housing provides an inclusive, supportive and growing community where we create possibilities for our future.”

-SUPPORTIVE HOUSING PARTICIPANT

YOU DON'T HAVE TO FACE IT ALONE.

Supportive Housing at House of Friendship is so much more than providing affordable permanent housing for those who have experienced homelessness. Staff work closely with tenants to help build a sense of community and connection, as well as providing support to help them stay housed and improve their overall quality of life. Supportive Housing tenants grow in independence and resilience, and are supported in reaching their individual goals.

HOW TO APPLY

- Tenants must register and meet eligibility requirements from the Region's Prioritized Access to Housing Support (PATHS) process.
